Summer Camp at Chesterbrook Academy

Summer Camp offers fun-filled summer programs for children ages 2-12. Each week, campers jump into action, participating in exciting sports programs, exploring nature, becoming involved in performing and creative arts, playing a part in group activities, and attending special events.

Our campers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun! Our exceptional program and dedicated staff create an environment that forges lifelong friendships among our campers. We create a summer experience that is unforgettable!

It all starts with our outstanding camp counselors. A camp is only as good as its staff, and we are extremely proud of ours. Talent, creativity, love of children, leadership and devotion make our camp counselors the heart and soul of the program. We take our camp programs seriously and begin our summer with intensive staff training and orientation. Camp counselors and specialists are doing exactly what they enjoy most: spending a summer inspiring campers to explore, reach for new heights, and expand their horizons.

Our Camp gives you choices. Camp includes five days of activities, from 9:00 am – 4:00 pm. You can choose to add extended hours and specialty camps to your menu of summer fun. We offer a range of outdoor activities, plus indoor activities conducted in our fully air conditioned facility. Our specialty camps are optional programs, operating during regular camp hours, which provide even more choices for unique and exciting adventures.
