

Chesterbrook Academy

January/February News

**CBA will be CLOSED
Monday, February 16th
for Teacher
In-Service**

**Please remember to sign
your child in and out at the
front desk each day!!**

In the event of a school closing due to winter weather we will send out a mass email and also announce on WCIA (channel 3) and Illini Radio Group (100.3, 94.5, 92.5).

If you are not receiving email's, let Randi know so you can get added!

**Tax Statements are
available!!**

Please email Randi at Randi.Kinsella@nlcinc.com if you would like a statement either emailed to you or printed out.

We are doing what we can, however, to help prevent illness during this cold and flu season there are a couple things you can do to help! When you drop your child off have them immediately wash their hands. Also please keep them home if they are showing signs of illness from our policy (fever, vomiting, loose stools, rash, etc.).

A Parent Survey will be going out this month— please take a few minutes to fill it out! This gives us a better idea about the things you love about CBA and things we can improve upon!
