☘ MARCH 2017 ☘

Dear Chesterbrook Parents,

March is here and it is almost Spring...thankfully! It has been a cold winter and we know that everyone is anxious to go outside and play. February was a short but busy month with many important activities, and March is sure to be just as eventful!

Here are a few reminders and dates for upcoming events this month:

- Dr. Seuss's birthday is Thursday, March 2<sup>nd</sup> and we will be celebrating him and all his acts of literature all month long!
- Keep an eye out for priority Registration that will begin this month. Registration will be \$45 instead of \$90 during priority registration.
- Sunday, March 12<sup>th</sup> Daylight Savings time begins. Don't forget to set your clocks an hour ahead!
- Monday, March 20<sup>th</sup> will be the new start for Soccer Shots for all Beginners and up! Each class is held every Monday at 9:30 am, more details to follow.
- Friday, March 17<sup>th</sup> is St. Patrick's Day. We will be having a school-wide Shamrock Shake Party!
- We are busy planning Summer Camp as we speak and all calendars should be out by the beginning of next month, along with the prices for the Camp Activity Fees for each age group. Stay tuned for more details!

Happy St. Patrick's Day!

Warm Wishes,

Stacy, Thien, and Adriane

## Infants

Welcome Spring! This month we will continue to work on exploring sensory items, gross motor skills, fine motor skills, and sign language. We will be working on signing the words more and finished. We can't wait to see the milestones our infants will reach for the month of

March, stay tuned!

## Toddler A

Welcome Spring! March will be a busy month, full of many fun activities.. Our color of the month will be green, and our shape of the month will be a clover. This month we will be exploring self-expression and our fine motor skills through Art Projects. We say goodbye and good luck to our friends Adrianna and R.J. as they move to the Toddler B room! Some of the upcoming events will be Dr. Suess' Birthday and St. Patrick's Day! What a busy month we have coming up!

## Toddler B

Welcome to Adrianna and R.J.! We have lots of fun activities to explore. Green is our color of the month. Some of the Links to Learning activities for the month will be manipulating play dough, pointing to and naming colors, and counting 1-10. Birthday wishes go out to Carmen, Noah, Olivia, and Liam who will all be turning 2! St. Patty's Day activities will be posted at a later date, stay tuned!

## Beginner A

This month, your child will answer "what", and "where" questions, understand the concept of 5, & identify the names of family members. We will be decorating our rooms for St. Patrick's Day and celebrating Dr. Suess' Birthday. Please feel free to bring in your child's favorite book so we can read it at circle time. Just a friendly reminder, please refrain from bringing in Sippy cups for your child. Also, please hang all of your child's belongings either under the cubby on the hook or in your child's bin. We are trying to eliminate clutter on top of cubbies and mix up of belongings. ☺ As always, thank you for your cooperation!

## Beginner B

Spring has sprung! We re so happy the weather is starting to change, and we look forward to the days staying light longer. This month we are excited to celebrate St. Patty's Day with shamrock shakes and a visit from the leprechaun! We will be doing activities such as creating new colors together. We also will explore various weather like wind and we'll continue to work on our writing skills by practicing our letter to our name. As always please check cubbies to make sure there are a full change of weather appropriate clothes!

## Intermediates

The children are doing a great job with working on their communication skills. The children are working hard on their self-help skills daily. In Math, the children are working on adding and subtracting items to get a total. We will introduce our new Spanish words for March also!

## Pre-K

Lucky us, it is already March! We had a blast celebrating birthdays and Valentine's Day in February. March is sure to be just as exciting! We will celebrate Audrey, Will, and James G's Birthdays this month and also learn about St. Patty's Day. Along with our celebrations, we will learn about weight, the Solar System, and new sight words. We cannot wait to watch your children learn and grow even more this month!

## Kindergarten

Happy March! This month we are focusing on blending initial, medial, and final /e/, /j/, /w/, continuing blends, reading text based comprehension such as setting and realism and fantasy, learning the Nonfiction genre, learning to take apart and make two digit numbers, learning all about the different clouds in Science, celebrating Dr. Suess' birthday and St. Patrick's Day, Spring, and much more!
