

# Share the Power of a Wish®

This year we are going to be doing something a little different for the holidays.

North and South Carolina Chesterbrook's have partnered with Make-A-Wish!

During the month of December, we will be doing different activities daily for Make-A-Wish. Our big WISH WEEK will be December 11<sup>th</sup> through the 15<sup>th</sup>. (Attached flier)

We currently have a goal of \$700.00 and are in competition to raise the most money in the Charlotte market!

I think we can do it!!

We have started this fundraiser to help grant wishes for children with critical illnesses. With your help, it's possible.

Wish kids are some of the bravest and sweetest kids you'll ever know. They wish to work in a pickle factory, become a superhero, go snorkeling, give their baseball team new uniforms, and push all of the buttons in a tall building's elevator. Their innocence and unexpected wisdom stays with you.

Make-A-Wish grants thousands of unique wishes each year. A lot, yes. But that's only 50% of eligible kids. We are fundraising so more deserving kids and their families can know the happiness, relief and renewal a wish can bring.

Please help by contributing to this fundraiser. Every dollar matters.

Thank you for your support!

Our schools Make-A-Wish website is
