Love is in the air!

Can you believe we're already one whole month into 2022? At school, I guess the saying is true: Time flies when you're having fun! We love the month of February because it's a time to celebrate love, and there is so much to LOVE about our preschool community. Most importantly, we LOVE having your support each and every day. We LOVE creating smiles behind the masks of our little learners in the classroom. We LOVE continuing the journey with all of you year over year... including in crazy years like this! The 2022-2023 school year may still seem far down the road, but it will be here before you know it, and we can't wait for all of you to be a part of it with us! In the next few weeks, we will continue on our Priority Registration special. This is a limited time offer exclusively for our currently-enrolled families to get discounted priority re-registration for the 2022-2023 school year. Registration forms with our 2022-2023 rates will be at the front desk, as well as electronically via email. Please stay tuned throughout the month for more information.

As always, please reach out with any questions, comments, suggestions, or concerns. Thank you always
