2018 Chesterbrook Academy — Spring Break Camp Information & Enrollment form For School Age Children

Come build Camp memories with us!

Spring Break Camp is all about sharing our experiences around the warmer weather and creating lasting memories with friends. Our campers will develop new skills while participating in exciting camp activities. Our Spring Break Camp offers top-notch instruction, leadership development and fun. Spring Break camp provides your child with character development, valuable life skills, new friends, and new interests.

Enjoy our flexible schedule! Choose your days by checking the appropriate boxes on the enrollment form.

Spring Break Camp Activities Snap - Shot!

Mon. March 26—Garden Zone: Students will plan and prepare our garden area throughout the week. Today students will be introduced to different types of plants and discuss the kind of care they need. Students will get to work in groups to determine which plants they would like to grow and then prepare the garden to plant the seeds.

Tues. March 27—All about science: Students will experiment with different objects and material. They will practice mixing, pouring, and observing during our Coke and Mentos challenge, Flubber, and more!

Weds. March 28—Canvas Art: We will discuss and view work from different artists. The students will get to pick their favorite work and recreate it on their own canvas.

Thurs. March 29—Gardening and Scavenger Hunt: The students will get to finish up their garden outside and then go exploring on a scavenger hunt. Fun prizes given throughout the hunt!

Fri. March 30—Outdoor Games: A day full of challenges! The students will create their own obstacle course, have fun balancing bean bags, playing tug-of-war, and Frisbee golf.

Mon. April 2— Camp In Day! Bring your sleeping bags, your pajamas, and a flashlight. Students will set up camp in the classroom, literally! We will set up our tents and sleeping bags, tell stories, play flashlight tag, and make s'mores.
