JUNE 2017

Dear Chesterbrook Parents,

It's hard to believe that the 16-17 school year is coming to an end. We had a mild winter this year which definitely helped the months pass by. Finally, we get to say hello to Summer!

The end of the school year is bitter sweet because we will be saying "Goodbye" to so many of our families that have been with us for many years. But we will also be welcoming back numerous families that return each year for our Summer Camp. ☺ We are sad to say goodbye to two of our wonderful teachers, Miss Bre and Miss Maggie. We wish them well as they move to two of our other Chesterbrook locations! We will miss them very much! ☺

•All Camp Activity Fees and Paperwork are due to the office if you have not already turned them in. Do not forget that we need 2 weeks notice for vacation and 4 weeks notice before withdrawing your child in writing.

•Friday, June 9<sup>th</sup> is our Father's Day Picnic at 3:30 pm.

•The Kindergarten & Pre-K Graduation Ceremony will be held at Wedgewood Country Club on Wednesday, June 14<sup>th</sup> at 6:00 pm.

### Infants

This year has flown by and our babies are growing up so fast! We look forward to another great month in our Infant room. We will continue working on signing with our babies and exploring our 5 senses! We hope you can join us for our Father's Day Picnic on June 10<sup>th</sup> at 4:00pm!

### Toddler A

Can you believe our school year is coming to a close? This month will be a review of colors, counting, shapes, and activities to strengthen our problem solving skills. THANK YOU for all of your support throughout the year of our daily and special activities, because without you we would not have had a successful year! Have a super summer!! ☺

### Toddler B

Hurray for Summer! Lot's of fun is planned for our summer camp this year. Please check your calendars. Some of our Links to Learning skills for the month will be showing a sustained interest in pictures, matching pictures to familiar objects, and understanding big/ little. We are looking forward to a great fun filled summer, stay tuned! ☺

### Beginner A

This month your child will identify events that occur in the beginning and at the end of a story, continue naming shapes, and discuss summertime activities. We will explore sounds of different musical instruments as well as make our very own. In Science this month, we will explore temperature and the effects of sun and sunlight. We are all looking forward to a summer filled with fun in the sun!

### Beginner B

Beginner B is ready to dive right into June! Our class will definitely be making waves this summer while using our imaginations, art supplies, and various resources throughout our playground and class. Skills that we will focus on this month will be recognizing our first name in print, counting 1-20, exploring temperatures, and having open discussions about vacations. Most importantly, we will be working as team to have our kids be successful in "independently attending the bathroom". Now that summer days are upon us, please be sure to check your child's cubby and replenish them with extra clothes, sunblock, and bug spray with your child's name labeled on them. If you would like your child to wear a hat or sunglasses, you are welcome to bring those items in as well. Our class is ready to make a big splash for summer camp 2017! ☺

### Intermediates

The children in Intermediates have had a wonderful year and progressed greatly! The children are going to wrap up the year with their letters and practice writing them and knowing their sounds. We will continue to work on writing our names and holding a writing utensil correctly. In Science, we will be working on textures and the "feel" of items and creating art with different textures. We will be having a fun-filled last week of school so please keep an eye out for our schedule! ☺

### PreK

Can you believe it is June already? Graduation is right around the corner! Pre-K has learned so much and is ready for Kindergarten. In June we will celebrate graduation and the beginning of Summer Camp! Although, we will be having lots of fun, we will still be learning as well. We will explore the postal mail process, discuss water and sun safety, and will begin memorizing our home address and phone number. We will be celebrating Jocelyn, Taylor, and Adriana's birthdays! ☺ We can't wait! We look forward to the beginning of Summer and meeting new friends!

### Kindergarten

Welcome June! I can't believe this school year is coming to an end. This month we are focusing on blending initial, medial, and final /Aa/, /Ii/, and /Oo/, /Ee/, and /Uu/ letter sounds, reading text based comprehension such as compare/contrast and character, reviewing time and money in Mathematics, and much more! Happy Graduation!

## Congratulations to our Teacher of the Month: Miss Alicia June 2017

Miss Alicia joined our family just a year ago from the Glassboro Chesterbrook. We are so lucky to have had Miss Alicia join our school and bring her bubbly smile and creativity with her. She has spent her time in many of our classrooms, but now spends all of her time with our Intermediates children. In her spare time she loves to spend it with family and friends and her cat Nala! Miss Alicia is loved but not just our parents and staff members but all of her kids in Intermediates as well. Thank you so much for all that you do for the children and our school. We are so lucky to have you, we love you Miss Alicia! ☺
