Front Door Reminders

Here at Chesterbrook we aim to create a positive and safe learning environment for our students. It is human nature to want to hold the door open for anyone coming in behind us. We would like to remind everyone that we are a locked facility, if you do not know the person coming in behind you please do not hold the door open for them. An administrator will buzz them in and check them in at the front desk.

Thank you for your help!

Through music, children develop math, language, and literacy skills - All while having fun and being active! This year's song is "[The Together Son](#)" by Katydid. You can record the song with the [official lyrics](#), or make up your own unique version and share it on [NAEYC's Facebook page](#) or post to Twitter using the hashtag **#woyc18**. **Record** your own unique version of the song and **share** it on Chesterbrook Academy's Facebook Page or create an iMOVIE with an iPad and also use parent share/Links2Home.

Tuesday, April 17th: Tie-Dye Tuesday

T-shirt Tie-Dye Day

This fun, themed day is more than t-shirts and tie-dyeing. We will create team spirit and unity within our classrooms and schools. Our students will be asked to bring in a white or plain t-shirt that they are allowed to tie-dye for Earth Day/The Ladybug Release. The shirts will be completed in class today and worn on Friday for our lady bug release and the last day of WOYC and in celebration of Earth Day which is Sunday April 22nd.

Wednesday, April 18th: Work Together Wednesday

Work together, build together, learn together

When children build together they explore math and science concepts and develop their social and early literacy skills. Children can use any building material—from a fort of branches on the playground to a block city in the classroom, or a hideaway made from couch pillows at home. Share pictures of children's creations on Chesterbrook Facebook and Parent Share/Links2Home.

Thursday, April 19th: Artsy Thursday

Think, problem solve, create

Children develop creativity, social skills and fine muscles with open-ended art projects where they can make choices, use their imaginations and create with their hands. On Artsy Thursday celebrate the joy and learning that children will experience when engaged in creative art making. Use any materials - from crayons to paint, clay to crafts! Create and share a photos of your child's creation on Chesterbrook Academy Facebook and Parent Share.

Sharing family stories – Creating Vision Board

Engaging and celebrating families is at the heart of supporting our youngest learners! Chesterbrook Academy applauds you as your child's first and most important teachers.
