Chesterbrook Academy Families,

Thank you all for helping our school celebrate Earth Day. Together, students at our school **released over 3,000 ladybugs and our PreK2 class had a planting party.** Celebrating Earth Day provided our teachers with many opportunities to relate Science, Math and Literacy concepts to everyday life. As we move into May, we are getting our classrooms ready for a summer of additional enrichment. We can't wait to spend summer with you and your children!

We love our teachers! We have great activities to celebrate them the week of May 3rd! We look forward to showering our wonderful teachers and showing them how much we appreciate them!

Our students have been working hard on songs, artwork, and selected readings to share with you. We will celebrate the accomplishments of our Pre-K2 students with safety as our guide. Pre-K2 Graduation will be June 11 and will be sending more information home shortly for our **virtual/drive-by** event.

In today's connected world, many families turn to online reviews to learn more about the reputation of schools. Just a reminder that you can find our school on Facebook, Google, Yelp and other online directories. We'd love more families like yours, so please consider spreading the word about our school.

Does your child have a Birthday coming up? If so, we can help! Birthday Cupcakes are a safe way to celebrate with the class. Please ask us for more information!!

As always, please let us know if you have any questions or concerns.
