June 21 – Parents Night Out  
June 28 – End-of-month folders go home

Get ready for an epic summer! Our teachers and staff are busy planning a fun and unforgettable experience for our students. From sports and games to arts and crafts, we have something for everyone. Water play days are an exciting part of our summer camp experience and we can't wait for your child to participate! Children should come to school with their swimsuits and bring a towel and a change of dry clothes. For the safety of your child/ren, open-toe shoes are not permitted. All students will be required to have water shoes. Summer camp preview calendars are available in the lobby. We will be sharing more information soon via Links 2 Home about our upcoming events and activities. As always, we are here to answer any questions or concerns you may have.

We have scheduled a Family Summer Social Event from 5-6pm on June 20<sup>th</sup>. Join us for fun and ice cream on the playground. Get to know your Chesterbrook staff and community. Bring a friend to show off your school!

We know how important protecting your child's skin is from the summer sun. Please complete the Sunscreen Permission Form (see our front desk for a copy) and provide a sunscreen labeled with your child's name. Please check that it will not expire before summer ends. Please note, Chesterbrook staff will apply sunscreen after nap, you will need to apply sunscreen in the morning before your child arrives.

With the change of weather and heading into our camp program it is a great time to check your child's cubby. Please make sure to refresh the spare clothing in your child's cubby. Take home anything that no longer fits and leave a spare set of well-fitting, weather-appropriate clothes. It is always a good idea to have two complete changes of clothes that are labeled.

Planning on taking a summer vacation? Be sure to submit your Vacation Request Form at least two weeks in advance. We can confirm your vacation credit availability. Vacations credits reset with our new fiscal year in July 2024.

Thank you to our families who have already secured their re-enrollment for the upcoming school year. Our classrooms are filling quickly and our teachers have already started to plan exciting new activities for next year. For those who have not yet registered, we urge you to complete the re-enrollment process as soon as possible to guarantee your child's spot. Please let us know if you have any questions or need a copy of the Letter of Intent form to complete for the 2024/2025 school year. We look forward to another year of growth, learning, and fun together!
