## A Note from our Principal

Starting a new school year is always so exciting! We'd like to extend a warm welcome to our new families and a sincere thank you to our returning families. We had a wonderful summer and look forward to another successful year of learning, fun, and growth.

Sincerely,

## Online Family Communication

As we get ready to kick off a new school year, we want to make sure you're kept in the know. In addition to this newsletter, our website's "For Parents" section also includes links to our menu, monthly calendar, and school year calendar. If you're not currently receiving photos and daily reports for your child, you can easily change this by downloading the Links 2 Home app on your phone from the Apple App Store or Google Play Store. After downloading, you can register with the same email address that you used to enroll your child in our school.
