- ❖ Understand that information about students, staff, and school affairs is considered confidential and is not to be discussed with anyone, except with the staff member responsible for

coordinating the event. If you have additional concerns that cannot be addressed by that staff member, please bring them to the attention of the campus leader.

**Chesterbrook Academy SCHOOL VOLUNTEER PROCEDURES**

The welfare and safety of our students are always of paramount importance to Chesterbrook Academy. As such, Chesterbrook Academy implements safety guidelines that it strictly enforces throughout the school day.

***Background Checks***

Chesterbrook Academy will not, under any circumstances, knowingly become involved with anyone who has been convicted of child abuse or sexual molestation. Chesterbrook Academy requires, as part of its pre-volunteer process, that a background check is conducted on all individuals before Chesterbrook Academy will consider accepting them as a school volunteer and/or field trip volunteer. Please note that all volunteers must be at least 18 years of age.

All parents who volunteer at any campus on a recurring basis (at least once per week) or as a chaperone on a field trip are required to undergo background checks which may include the following, depending on applicable licensing requirements by state and age:

- ❖ Criminal Background Check
- ❖ Suspected Child Abuse Index
- ❖ Fingerprint Clearance (completed where required)

### ***Signing In & Out***

In our efforts to keep our campus safe, it is necessary for us to always be aware of all individuals who are on site and of their whereabouts. We, therefore, require all parent volunteers, visitors, and maintenance workers to report to the office to sign in upon arrival, without exception. All visitors are also required to sign out in the school office at the end of their visit.

### ***Identification***

Upon checking in at the school office, all school volunteers and chaperones must check in at the front desk. It is essential for all staff members and students to easily recognize individuals who are authorized to be on the school grounds. After signing-in, all visitors are given a Visitor's Badge which he/she will be required to wear in a visible location on their person while on the campus

Volunteers must always be under the direct supervision of a teacher/authorized staff member and may never, under any circumstances, be left in charge of a class.

## **Chesterbrook Academy STUDENT BEHAVIOR POLICY**

Children find security and direction where there is consistent guidance and routine. It is the role of the volunteer to uphold Chesterbrook Academy's school guidelines and assist the children in conducting their behavior in a positive manner. Our goal is to teach students to exhibit self-control, while managing their emotions and anger. This can only be accomplished by consistent, firm, and loving methods. No corporal punishment, including but not limited to spanking, hitting, slapping, tapping, and pulling on any part of the body, will be used.

### ***NEVER interact with a child when you are ANGRY***

If you become angry, upset, or feel that you need to remove yourself from the situation for any other reason, advise the nearest staff member and then remove yourself from the situation. Under NO CIRCUMSTANCES should you touch a child when angry or upset.

Because it is best to avoid interacting with the students when you are highly emotional, you will be excused from the remainder of the activity or event. If you are at the school, return to the office to sign out. If you are on a field trip, discuss options for arranging your return home with the staff member in charge.

## **CHILD ABUSE & SEXUAL MOLESTATION PREVENTION**

All Chesterbrook Academy school staff members and volunteers share the responsibility for preventing and reporting suspected child abuse and sexual molestation. Abuse can be mental, emotional, physical, or sexual injury to a child. Every parent who regularly volunteers and/or goes on any overnight field trip will be provided with Child Abuse Prevention Training material.

### ***Molestation Prevention at School***

Chesterbrook Academy expects all volunteers to limit opportunities for molestation by responding quickly and appropriately to suspicious situations and taking immediate action or filing a report when warranted. Volunteers are expected to adhere to the following guidelines:

- ❖ Volunteers and visitors are never to be left alone with a child; another teacher or adult must be present at all times.
- ❖ Report any misconduct or questionable behavior to the campus leader.
- ❖ Volunteers are prohibited from driving students on field trips or for any other reason, and are prohibited from driving all school vehicles.

### **BATHROOM PROCEDURES**

The following safety precautions are to be adhered to at all times.

#### ***Adults:***

- ❖ No adult is permitted to use student designated bathrooms, which are to be used only by Chesterbrook Academy students.
- ❖ Volunteers and chaperones are prohibited from entering any bathroom with a student.

#### ***Elementary and Middle School Procedure:***

- ❖ Students must buddy up with a partner to use the restroom.
- ❖ If a child needs a change of clothing, please send them directly to the office. The office will either provide a change the clothing or notify the parents, depending upon the circumstance.

#### ***Preschool and Pre-kindergarten Procedure:***

When using the outside restrooms, volunteers are to assist a Chesterbrook Academy fully qualified teacher in counting students upon leaving the classroom and upon returning to the classroom and using our Name to Face procedure. Volunteers may never be left alone with students per licensing requirements.

- ❖ In the event that a child needs a change of clothing, the volunteer should alert the teacher in the classroom, and the teacher will assist the student with changing clothes.

## **FIELD TRIP PROTOCOLS**

We encourage parent volunteers to chaperone on some field trips. Chaperones should follow all directions given by the teachers, as well as the staff at the field trip venue.

Chesterbrook Academy school safety protocol should be followed at all times under the direction of the teacher.

Elementary students should remain in sight of the group chaperone at all times unless they are using the restroom facilities and then they should go in pairs.

Chaperones will be given a list of the students they are responsible for. Additional information, such as a map of the venue, the trip schedule, time line for lunch and departure, and materials that may enhance the students' learning experience may also be provided by the teachers.

## **THANK YOU**

Please detach and return the acknowledgement and waiver on the next page. If you have questions about any of the procedures described above, please contact the leader at your child's campus.
