Thankful For Our Community

Is it us, or is Thanksgiving the absolute greatest of the winter holidays? Yes, we do absolutely love all the delicious food that we get to chow down on for the big day, but what we truly enjoy is taking a few weeks to share gratitude for all the wonderful things in our lives. We also love to hear the children talking about the things that mean a lot to them. Being thankful is a simple concept that takes no time at all and it's so rewarding to see that idea established in our students at such a young age. Children who show gratitude grow into community helpers, ambitious leaders, and super citizens of the world. I know that we have several of those standing right before us in our classrooms every day! This month, we're excited to celebrate the Thanksgiving holiday with a school-wide feast on Wednesday, November 27th. The children will enjoy a turkey-themed lunch with their teachers while talking about the importance of gratitude. We look forward to sharing the fun with you through photos in our Links 2 Home app! As always, please reach out with any questions, comments, suggestions, or concerns. Thank you for your ongoing support of our school, we are so thankful for all of you!
